ORDER.—The Government observe that according to the Rules in force, all Muzrai Stipendiaries should be inspected once a year by the several District officers and the death of every stipendiary should be immediately reported to Government. But from several instances now brought to their notice, the Government find that the above rules are not strictly observed. The Deputy Commissioners are therefore now requested to see that all deaths of Muzrai Stipendiaries drawing Ready Money Allowances from the treasuries in their respective Districts are reported to Government in the Muzrai Department without needless delay, and further to submit in future an annual statement of lapses of Life Grants within one month of the close of each official year.
